Treasuring God in Our Traditions Noël Piper,2007-09-07 God is the treasure of our lives. He is part of everything we do, think, act, and say-literally, he is a part of us. This precious heirloom of Christ himself must be passed on to future generations. But how? *Treasuring God in Our Traditions* presents the importance of passing along Christ-centered traditions and a Bible-saturated legacy in Christ to future generations. Noël Piper helps her readers recognize how the everyday routines of life and the especially celebrations of holidays and dates can be practically passed down to future generations. When parents and grandparents seek to pass along the treasure of God to their children and grandchildren, they will develop and deepen their love for him. When family traditions are rooted in the Bible, the next generations will see that the greatest treasure that anyone can have is the treasure of God.
