Praying in Color for Kids Paraclete Video Productions (PRD), Sybil MacBeth, 2009-05 Imagine a group of kids on the floor of a gym, or filling a classroom, or on a weekend retreat, praying in a whole new way--so silently that you can hear a pin drop! It happens everyday with Praying in Color.

Parenting by God's Promises Joel R. Beeke, 2011 In Parenting by God's Promises, Dr. Joel R. Beeke explores what nurture and admonition look like and offers gems of practical wisdom for parents on topics such as family worship, teaching children, modeling faithful Christian living, and exercising discipline.

The 12 Week Year Brian P. Moran, Michael Lennington, 2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

Meet January April Martin, 2021-11-17 Meet January! A lovable character we can all relate to on the first day back to school after winter break. January doesn't like the cold, but wants to wish her friends a Happy New Year. Will she make it to school? Find out more in the first book of the Calendar Kids Books Series!

The Business of Indie Games Alex Josef, Alex Van Lepp, Marshal D. Carper, 2022-05-03 The Business of Indie Games provides exceptional insight into how the video games industry works. It shares valuable information on how to successfully self-publish and secure publisher support. Whether you're making your first game or tenth, this book is a must read. - Paul Baldwin, Curve Digital The video game industry is a tough business and anyone looking to succeed in indie development should give The Business of Indie Games a read. - Graham Smith, Co-Founder of DrinkBox Studios This book is a fast track to success for anyone managing a game launch and looking to raise funding for their projects. It shares knowledge that you only

learn after years of triumphs and failures within this industry. – Scott Drader, Co-Founder of Metalhead Software There’s nothing like The Business of Indie Games taught in school. You learn how to make a game, but not how to conduct business, market, and launch a game. This book dives into topics that every indie developer should know. – Yukon Wainczak, Founder of Snoozy Kazoo I’ve seen no better guide for understanding how the video game industry really works. An important read for anyone whose work touches games, including those of us looking to engage the community. – Carla Warner, Director of STREAM for No Kid Hungry The Business of Indie Games explores what many universities forget to cover: how to sell and market your own indie game to potential publishers and developers. While many classes help students on their way to designing and programming their own games, there are few classes that equip students with the skills to sell their own product. In essence, this means future indie game developers are not equipped to talk to investors, negotiate with publishers, and engage with major platforms like Steam and Nintendo. Authors Alex Josef, Alex Van Lepp, and Marshal D. Carper are looking to rectify this problem by helping indie game developers and companies level up their business acumen. With detailed chapters and sections that deal with different engines, negotiation tactics, and marketing, The Business of Indie Games is the perfect omnibus for up-and-coming indie game developers. The future of gaming curriculums is not just in teaching students how to create games but also in preparing them for the business of games.

2021-2023 Calendar Simple Imagination Journals,2020-09-30 This three year monthly planner 2021-2023 36 months calendar from January 2021 to December 2023 and is perfect for big planning. The Holocaust's Jewish Calendars Alan Rosen,2019-02-28 “The most comprehensive to date treatment of these precious artifacts of the Holocaust’s Jewish efforts to maintain religious observations and identity.” —Choice Calendars map time, shaping and delineating our experience of it. While the challenges to tracking Jewish conceptions of time during the Holocaust were substantial, Alan Rosen reveals that many took great risks to mark time within that vast upheaval. Rosen inventories and organizes Jewish calendars according to the wartime settings in which they were produced—from Jewish

communities to ghettos and concentration camps. The calendars he considers reorient views of Jewish circumstances during the war and show how Jews were committed to fashioning traditional guides to daily life, even in the most extreme conditions. In a separate chapter, moreover, he elucidates how Holocaust-era diaries sometimes served as surrogate Jewish calendars. All in all, Rosen presents a revised idea of time, continuity, the sacred and the mundane, the ordinary and the extraordinary even when death and destruction were the order of the day. Rosen's focus on the Jewish calendar—the ultimate symbol of continuity, as weekday follows weekday and Sabbath follows Sabbath—sheds new light on how Jews maintained connections to their way of conceiving time even within the cauldron of the Holocaust. “Rosen demonstrates the relationship between time and meaning, between meaning and holiness, between holy days and the divine presence—all of which came under assault in the Nazis' effort to kill Jewish souls before destroying Jewish bodies.” —David Patterson, author of *Along the Edge of Annihilation: The Collapse and Recovery of Life in the Holocaust Diary*

The Bible Recap Tara-Leigh Cobble,2020-11-03 Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures.--MICHAEL DEAN MCDONALD, the Bible Project

Control Alt Achieve Eric Curts,2020-05-10 Transform Your Classroom with Tech Tools You Already Know With Control Alt Achieve, educational-technology wizard Eric Curts offers you the keys to revolutionizing classroom learning with the Google tools you already use. Dazzle your students by transforming Google Docs into blackout poetry, fire up creative possibilities by using Google Slides for comic strips, and make math more accessible--and fun--by turning to Google Drawings as an unlikely ally. With Eric as your guide to the technological horizons of Google tools, the possibilities are endless. With

the step-by-step and easy-to-follow directions in *Control Alt Achieve*, you'll learn how to use common digital tools in unexpected ways. Whether you're new to technology or have been using Google tools for years, Eric Curts will help you innovate as you educate with ready-to-use activities that will reboot--and transform--your classroom. Reading this book is like sitting in on a presentation from one of educational technology's best presenters. Eric's writing reminds me of his sessions: comfortable and accessible for new tech users, while still valuable for experienced users. Jake Miller, @JakeMillerTech, host of *The Educational Duct Tape Podcast* *Control Alt Achieve* provides both practical and pedagogical strategies that go way beyond simple technology integration. This is a great handbook for any teacher looking to go beyond the how-to and shift toward a learning transformation. Ken Shelton, kennethshelton.net In this book, Eric has created a powerful method for meaningfully integrating technology into teaching and learning. His unique way of crafting technology-rich experiences will allow anyone from a novice techie to an edtech expert the ability to control, alt, achieve! Michael Cohen, the Tech Rabbi, creativity instigator and author of *Educated by Design*

First Day Critter Jitters Jory John,2020-07-07 First-day-of-school jitters have never been funnier or more reassuring than in this picture book by the New York Times bestselling author Jory John and critically acclaimed illustrator Liz Climo It's almost the first day of school, and the animals are nervous. Sloth worries about getting there on time, snake can't seem to get his backpack fastened onto his body, and bunny is afraid she'll want to hop around instead of sitting still. When they all arrive at their classroom, though, they're in for a surprise: Somebody else is nervous too. It's their teacher, the armadillo! He has rolled in as a ball, and it takes him a while to relax and unfurl. But by the next day, the animals have all figured out how to help one another through their jitters. School isn't so scary after all.

The Old Farmer's Almanac 2022 Old Farmer's Almanac,2021-08-17 Happy New Almanac Year! It's time to celebrate the 230th edition of *The Old Farmer's Almanac*! Long recognized as North America's most-beloved and best-selling annual, this handy yellow book fulfills every need and expectation as a calendar of the heavens, a time capsule of the year, an essential reference that reads like a magazine. Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac is consulted daily throughout the year by users from all walks of life. The 2022 edition contains the fun facts, predictions, and feature items that have made it a cultural icon: traditionally 80 percent-accurate weather forecasts; notable astronomical events and time-honored astrological dates; horticultural, culinary, fashion, and other trends; historical hallmarks; best fishing days; time- and money-saving garden advice; recipes for delicious dishes; facts on folklore, farmers, home remedies, and husbandry; amusements and contests; plus too much more to mention—all in the inimitable Almanac style that has charmed and educated readers since 1792.

The Dot Peter H. Reynolds,2022-05-31 Vashti believes that she cannot draw, but her art teacher's encouragement leads her to change her mind and she goes on to encourage another student who feels the same as she had.

Include a 2024 calendar at the end of the planner

The Bullet Journal Method Ryder Carroll, 2021-12 THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls intentional living: making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***
