The Bird's Calendar (Classic Reprint) H. E. Parkhurst, 2017-12-25 Excerpt from The Bird's Calendar Ornithology is well-nigh the humblest member in the fraternity of Natural Sciences. It has little or no recognition in school or college, and hitherto has excited comparatively little general interest. It is accounted a surprising thing when a person is found who can speak intelligently in regard to a dozen of the very commonest species of birds. Yet notwithstanding the slight hold this science seems to have upon the popular mind, we find that in every Natural History museum in the world the section that proves most generally attractive, and is most interestedly commented upon, is that containing the ornithological specimens. The public takes a lively interest in dead birds; why is it so indifferent to the living ones? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Last Kabbalist of Lisbon Richard Zimler,2000-03-15 International Bestseller: “A moody, tightly constructed historical thriller . . . a good mystery story and an effective evocation of a faraway time and place.” —The New York Times After Jews living in sixteenth-century Portugal are dragged to the baptismal font and forced to convert to Christianity, many of these New Christians persevere in their Jewish prayers and rituals in secret and at great risk; the hidden, arcane practices of the kabbalists, a mystical sect of Jews, continue as well. One such secret Jew is Berekiah Zarco, an intelligent young manuscript illuminator. Inflamed by love and revenge, he searches, in the crucible of the raging pogrom, for the killer of his beloved uncle Abraham, a renowned kabbalist, discovered murdered in a hidden synagogue along with a young girl in dishabille. Risking his life in streets seething with mayhem, Berekiah tracks down answers among Christians, New Christians, Jews, and the fellow kabbalists of his uncle, whose secret language and codes by turns light and obscure the way to the truth he seeks. A marvelous story, a challenging mystery, and a telling tale of the evils of intolerance, *The Last Kabbalist of Lisbon* both compels and entertains. “The story moves quickly . . . a literary and historical treat.” —Library Journal "Remarkable . . . The fever pitch of intensity Zimler maintains is at times overwhelming but never less than appropriate to the Hieronymous Bosch-like landscape he describes. Simultaneously, though, he is able to capture, within the bedlam, quiet moments of tenderness and love.” —Booklist (starred review)

Awesome Almanac Jean F. Blashfield,1994 Contains comprehensive coverage of information about the state of California.

The Rise and Fall of Rocky Love Katia Lief,2011-05-27 IS FAME REALLY WORTH ALL THE TROUBLE? Aspiring cartoonist Catherine Cat Gold earns her living as a celebrity assistant in uptown Manhattan, while navigating the cramped downtown spaces of life, love, and alternative art. Her boss is Rochelle Rocky Love, a celebrated 1970s feminist and has-been 80s radio and television star who is convinced she can forge a 90s comeback with an autobiography. But the ghostwriter hired to glorify her life instead reveals a battleground of treachery and hypocrisy, littered with lies and sex that cross all the boundaries. When Cat herself experiences Rockys duplicity and learns that the icon is a fraud, she is fueled by a sense of disappointment and conspires with the ghostwriter to reveal the unspeakable truth about their narcissistic boss. Praise for international bestseller Katia Lief's novels: Wonderfully funny and terribly true.--Fay Weldon Urban, hip, sad, funny, a tipsy walk on the wild side.--Malcolm Bosse Taut, clean storytelling. --Publishers Weekly Readers will want to read more of this talented writers work. --New York Journal of Books.
