Fluent Forever Gabriel Wyner,2014-08-05 **NATIONAL BESTSELLER** • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Easy Target David Grace,2009-09-17 After twenty-fives years on the job, NYPD Lieutenant Greg Webster retired to a small Kansas college to teach classes in Criminal Justice. Webster looked forward to the move as a well-deserved rest for himself and his social-worker wife, Carolyn. Unfortunately, before even a year had passed Carolyn was dead, killed in an apparent hit-and-run accident. Though dazed and heartbroken, Greg suspected nothing sinister about her death until, as a class project, one of Webster s students began researching local violent deaths and Carolyn s accident began to look more and more like the latest in a series of murders. But why would a successful serial killer tempt fate by targeting the wife of a retired police officer? Maybe because it was all becoming too easy for him, too many easy targets. Now the murderer wanted more of a challenge, an opponent tougher than the local campus cops. But in taking on Greg Webster the Watcher has made a serious mistake. He should have heeded the old warning: Be careful what you wish for.

Target of Opportunity Max Byrd,2012-09-12 Bestselling author Max Byrd delivers a brilliant, revenge-filled tale of a WWII Police Inspector, who trails his vengeful sister-in-law after her husband's death. On a relaxing vacation at Lake Tahoe, San Francisco Police Inspector Gilman and his brother-in-law, former Washington attorney Donald Kerwin, stop into a 7-Eleven—and are met with a torrent of bullets. A gunman at the register kills Kerwin and wounds Gilman, and an illegal police search follows, leading to a dismissal of charges against the suspect. Gilman's sister-in-law Nina is not only heavily distraught over her husband's death but violently outraged at the illegal search. When she learns that the killer is returning to Boston, she trails him, out for revenge, leaving Gilman racing against time to stop her. Masterfully weaving history, plot,

and emotion, Target of Opportunity is an unforgettable achievement.
