My Hollywood and Other Poems Boris Dralyuk, 2022-12-14 The wit and daring of his rhymes and phrasing remind me of that old master, Donald Justice, who dazzled us with the elegance of his forms. Dralyuk carries this high style into the 21st century, and I, for one, am thrilled to be in the presence of his marvelous verbal art. Pay attention, readers: a new maestro is in our midst.—Ilya Kaminsky, author of *Deaf Republic* and *Dancing in Odessa* These [poems] are the souvenirs of an almost-vanished glamour, an ethnic, gritty, free-wheeling city, little fantasias encased in rhyme and meter.—Jesse Nathan, *McSweeney's* *My Hollywood and Other Poems* is a collection of lyric meditations on the experience of émigrés in Los Angeles. In forms ranging from ballades to villanelles to Onegin sonnets, the poems pursue the sublime in a tarnished landscape, seek continuity and mourn its loss in a town where change is the only constant. *My Hollywood* draws on the poet's own life as a Jewish immigrant from the Soviet Union, honors the vanishing traces of the city's past, and, in crisp and poignant translations, summons the voices of five Russian poets who spent their final years in LA, including the composer Vernon Duke. "Dralyuk embraces rhyme with a rare and admirable enthusiasm for sound and syllable, for musical variety and plays on words . . . [An] air of upbeat sorrow permeates *My Hollywood*. It's an émigré mood, defined by the conviction that

things could always be worse.”—New York Review of Books Sophisticated, musical, and often humorous.—Booklist Byronic rhymes are poetry’s answer to special effects, and Dralyuk’s skill at slipping them in—so that the art seems artless—is worthy of Industrial Light & Magic . . . What’s true of my favorite films is true of this book: the lines are first-rate, but it’s the images that linger.”— Austin Allen, The Hopkins Review My Hollywood is a first-rate collection of precise, delightfully graceful poems, the poet as Fred Astaire tap-dancing up and down the lines.—Russian Life

Tulsa Christmas Parade Jessica Gullo ,2017-11-27 Since 1926, the Tulsa Christmas Parade has entertained thousands of children and adults year after year as it winds through the historic streets of downtown Tulsa. In its early days, when Tulsa was a new town booming with rapid growth from the recent discovery of oil, the Christmas parade quickly became an annual tradition that has continued to be a favorite event for the past 90 years. Throughout part of its history, the parade has been held at night, and Tulsa and the surrounding communities have come together to put on elaborate, twinkling displays--full of sparkling lights--including floats, marching bands, and large balloons, culminating each year with the guest of honor, Santa himself, making a special trip from the North Pole all the way to Tulsa, Oklahoma. This book explores the grandeur and excitement of Tulsa Christmas Parade's history against the backdrop of one of the largest collections of Art Deco architecture in the United States.

A Confederacy of Dumpty's John Lithgow,2021-10-05 The next book in John Lithgow's New York Times bestselling series Following the success of New York Times bestsellers Dumpty and Trumpty Dumpty Wanted a Crown, award-winning actor, author, and illustrator John Lithgow presents the third book in his runaway hit series. A Confederacy of Dumpty's takes us through a history of twenty-five American Scoundrels in this all-new collection of Lithgow's satirical poems and illustrations. While the Trump Era was rife with corruption and abuse of power, it was nothing new. Through Lithgow's cutting humor, you will read about a rogues' gallery of villains that came before Donald J. Trump, powerful men and women who were corrupt, venal, criminal, adulterous, racist, or just plain disgusting. With dark and lyrical stories from across American history, you will learn about long-forgotten figures and bad actors of today, including the first Grand Wizard of the Ku Klux Klan, the perpetrator of 19th century women's pyramid schemes, and participants in both the Watergate scandal and the Capitol insurrection. Trump and Nixon show up, of course, but also Leona Helmsley, Boss Tweed, Typhoid Mary, Newt Gingrich, Ted Cruz, and many more. Skipping through time, and delivered with classic Lithgow wit and style, A Confederacy of Dumpty's is an exuberant reminder of how not to repeat history. Digital audio edition read by the author. The perfect book for: • Political satire fans—viewers of The Daily Show with Trevor Noah, Last Week Tonight with John Oliver, and The Late Show with Stephen Colbert. • American history buffs and trivia enthusiasts—readers of Jon's Stewart's America (The Book): A Citizen's Guide to Democracy Inaction and Josh Clark's Stuff You Should Know: An Incomplete Compendium of Mostly Interesting Things. • Poetry, art, and illustration aficionados.

Devil House John Darnielle,2022-01-25 INSTANT NEW YORK TIMES BESTSELLER "It's never quite the book you think it is. It's better." —Dwight Garner, The New York Times From John Darnielle, the New York Times bestselling author and the singer-songwriter of the Mountain Goats, comes an epic, gripping novel about murder, truth, and the dangers of storytelling. Gage Chandler is descended from kings. That's what his mother always told him. Years later, he is a true crime writer, with one grisly success—and a movie adaptation—to his name, along with a series of subsequent less notable efforts. But now he is being offered the chance for the big break: to move into the house where a pair of briefly notorious murders occurred, apparently the work of disaffected teens during the Satanic Panic of the 1980s. Chandler finds himself in Milpitas, California, a small town whose name rings a bell—his closest childhood friend lived there, once upon a time. He begins his research with diligence and enthusiasm, but soon the story leads him into a puzzle he never expected—back into his own work and what it

means, back to the very core of what he does and who he is. Devil House is John Darnielle's most ambitious work yet, a book that blurs the line between fact and fiction, that combines daring formal experimentation with a spellbinding tale of crime, writing, memory, and artistic obsession.

The Ground Breaking Scott Ellsworth, 2021-05-20 ** Chosen by Oprah Daily as one of the Best Books to Pick Up in May 2021 ** 'Fast-paced but nuanced ... impeccably researched ... a much-needed book' The Guardian '[S]o dystopian and apocalyptic that you can hardly believe what you are reading. ... But the story [it] tells is an essential one, with just a glimmer of hope in it. Because of the work of Ellsworth and many others, America is finally staring this appalling chapter of its history in the face. It's not a pretty sight.' Sunday Times A gripping exploration of the worst single incident of racial violence in American history, timed to coincide with its 100th anniversary. On 31 May 1921, in the city of Tulsa, Oklahoma, a mob of white men and women reduced a prosperous African American community, known as Black Wall Street, to rubble, leaving countless dead and unaccounted for, and thousands of homes and businesses destroyed. But along with the bodies, they buried the secrets of the crime. Scott Ellsworth, a native of Tulsa, became determined to unearth the secrets of his home town. Now, nearly 40 years after his first major historical account of the massacre, Ellsworth returns to the city in search of answers. Along with a prominent African American forensic archaeologist whose family survived the riots, Ellsworth has been tasked with locating and exhuming the mass graves and identifying the victims for the first time. But the investigation is not simply to find graves or bodies - it is a reckoning with one of the darkest chapters of American history. '[A] riveting, painful-to-read account of a mass crime that, to our everlasting shame ... has avoided justice. Ellsworth's book presents us with a clear history of the Tulsa massacre and with that rendering, a chance for atonement ... Readers of this book will fervently hope we take that opportunity.' Washington Post

Magic City Jewell Parker Rhodes, 2021-05-04 A compelling page-turner that will keep readers hoping against hope that everything will somehow, magically, turn out for the best. — Atlanta Journal-Constitution With a new Afterword from the author reflecting on the 100th anniversary of one of the most heinous tragedies in American history—the 1921 burning of Greenwood, an affluent black section of Tulsa, Oklahoma, known as the Negro Wall Street—Jewell Parker Rhodes' powerful and unforgettable novel of racism, vigilantism, and injustice, weaves history, mysticism, and murder into a harrowing tale of dreams and violence gone awry. Tulsa, Oklahoma, 1921. A white woman and a black man are alone in an elevator. Suddenly, the woman screams, the man flees, and the chase to capture and lynch him begins. When Joe Samuels, a young Black man with dreams of becoming the next Houdini, is accused of rape, he must perform his greatest escape by eluding a bloodthirsty mob. Meanwhile, Mary Keane, the white, motherless daughter of a farmer who wants to marry her off to the farmhand who viciously raped her, must find the courage to help exonerate the man she accused with her panicked cry. Magic City evokes one of the darkest chapters of twentieth century, Jim Crow America, painting an intimate portrait of the heroic but doomed

stand that pitted the National Guard against a small band of black men determined to defend the prosperous town they had built.

Frida Kahlo, Diego Rivera and Mexican Modernism Anthony White,2001 The self-portraits of Mexican artist Frida Kahlo are renowned for their dream-like quality and emotional intensity. A passionate woman endowed with an indomitable spirit, Kahlo overcame injury and personal hardship to become one of the world's most important female artists. Celebrated by the surrealists in her own lifetime, she has attained cult-like status both for her extraordinary art and her tempestuous love-life with her husband, Diego Rivera, Mexico's most prominent modern painter. An outstanding selection of paintings by Kahlo and Rivera form the core of this catalogue, which accompanies the National Gallery of Australia's exhibition. Jacques Gelman, the Russian emigre film producer, and his wife, Natasha, built up their collection over many years of acquaintance and collaboration with Mexico's greatest creative artists. It is now widely regarded as the most significant private holding of twentieth century American art.

Remembering Ella Nita Gould,2018-10-01 In November 1912, popular and pretty eighteen-year-old Ella Barham was raped, murdered, and dismembered in broad daylight near her home in rural Boone County, Arkansas. The brutal crime sent shockwaves through the Ozarks and made national news. Authorities swiftly charged a neighbor, Odus Davidson, with the crime. Locals were determined that he be convicted, and threats of mob violence ran so high that he had to be jailed in another county to ensure his safety. But was there enough evidence to prove his guilt? If so, had he acted alone? What was his motive? This examination of the murder of Ella Barham and the trial of her alleged killer opens a window into the meaning of community and due process during a time when politicians and judges sought to professionalize justice, moving from local hangings to state-run executions. Davidson's appeal has been cited as a precedent in numerous court cases and his brief was reviewed by the lawyers in Georgia who prepared Leo Frank's appeal to the U.S. Supreme Court in 1915. Author Nita Gould is a descendant of the Barhams of Boone County and Ella Barham's cousin. Her tenacious pursuit to create an authoritative account of the community, the crime, and the subsequent legal battle spanned nearly fifteen years. Gould weaves local history and short biographies into her narrative and also draws on the official case files, hundreds of newspaper

accounts, and personal Barham family documents. Remembering Ella reveals the truth behind an event that has been a staple of local folklore for more than a century and still intrigues people from around the country.

A Life on Fire Connie Cronley,2021-08-26 “How can women wear diamonds when babies cry for bread?” Kate Barnard demanded in one of the incendiary stump speeches for which she was well known. In *A Life on Fire*, Connie Cronley tells the story of Catherine Ann “Kate” Barnard (1875–1930), a fiery political reformer and the first woman elected to state office in Oklahoma, as commissioner of charities and corrections in 1907—almost fifteen years before women won the right to vote in the United States. Born to hardscrabble settlers on the Nebraska prairie, Barnard committed her energy, courage, and charismatic oratory to the cause of Progressive reform and became a political powerhouse and national celebrity. As a champion of the poor, workers, children, the imprisoned, and the mentally ill, Barnard advocated for compulsory education, prison reform, improved mental health treatment, and laws against child labor. Before statehood, she stumped across the Twin Territories to unite farmers and miners into a powerful political alliance. She also helped write Oklahoma’s Progressive constitution, creating what some heralded as “a new kind of state.” But then she took on the so-called “Indian Question.” Defending Native orphans against a conspiracy of graft that reached from Oklahoma to Washington, D.C., she uncovered corrupt authorities and legal guardians stealing oil, gas, and timber rights from Native Americans’ federal allotments. In retaliation, legislators and grafters closed ranks and defunded her state office. Broken in health and heart, she left public office and died a recluse. She remains, however, a riveting figure in Oklahoma history, a fearless activist on behalf of the weak and helpless.

My Time Will Come Ian Manuel,2022-04-19 The inspiring story of activist and poet Ian Manuel, who at the age of fourteen was sentenced to life in prison. He survived eighteen years in solitary confinement—through his own determination and dedication to art—until he was freed as part of an incredible crusade by the Equal Justice Initiative. “Ian is magic. His story is difficult and heartbreaking, but he takes us places we need to go to understand why we must do better. He survives by relying on a poetic spirit, an unrelenting desire to succeed, to recover, and to love. Ian’s story says something hopeful about our future.” —Bryan Stevenson, author of *Just Mercy* The United States is the only country in the world that sentences thirteen- and fourteen-year-old offenders, mostly youth of color, to life in prison without parole. In 1991, Ian Manuel, then fourteen, was sentenced to life without parole for a non-homicide crime. In a botched mugging attempt with some older boys, he shot a young white mother of two in the face. But as Bryan Stevenson, attorney and executive director of the Equal Justice Initiative, has insisted, none of us should be judged by only the worst thing we have ever done. Capturing the fullness of his humanity, here is Manuel’s powerful testimony of growing up homeless in a neighborhood riddled with poverty, gang violence, and drug abuse—and of his efforts to rise above his circumstances, only to find himself, partly through his own

actions, imprisoned for two-thirds of his life, eighteen years of which were spent in solitary confinement. Here is the story of how he endured the savagery of the United States prison system, and how his victim, an extraordinary woman, forgave him and bravely advocated for his freedom, which was achieved by an Equal Justice Initiative push to address the barbarism of our judicial system and bring about “just mercy.” Full of unexpected twists and turns as it describes a struggle for redemption, *My Time Will Come* is a paeon to the capacity of the human will to transcend adversity through determination and art—in Ian Manuel’s case, through his dedication to writing poetry.
