[The Twelve Days of Christmas in Wisconsin](#) Erin Eitter Kono,2007 On each of the twelve days before her Christmas visit, Emma's cousin Jake sends her a letter describing the history, geography, animals, and interesting sites of Wisconsin. *A Wisconsin Town and Country Christmas* Larry Lynch,Renee Howarton,2018-08-20 A Wisconsin Town and Country Christmas explores Christmas traditions brought by early settlers to the area from the old country-Slovaks, Scandinavians, Irish, English, Swiss, Germans-through interviews with their descendants still living on farms, in the towns, in old cheese factories. Beautifully illustrated with 19th century etchings and lithographs, together with specially commissioned drawings of local Wisconsin farms in the snow, this little book evokes Christmases past and present and may even inspire you to try the cornucopia of recipes collected from those interviewed.

**Flavor of Wisconsin for Kids** Terese Allen,Bobbie Malone,2014-09-12 What are some food favorites in Wisconsin, and why are they special to us? How have our landscape and the people who have inhabited it contributed to our food heritage?

This unique blend of history book and cookbook gives kids a real taste for hands-on history by showing them how to create and sample foods that link us to the resources found in our state and the heritage of those who produce them. Designed for kids and adults to use together, *The Flavor of Wisconsin for Kids* draws upon the same source material that makes *The Flavor of Wisconsin* by Harva Hachten and Terese Allen a fascinating and authoritative document of the history and traditions of food in our state, and presents it in a colorful, kid-friendly format that's both instructional and fun. Mindful of the importance of teaching kids about where the foods they eat come from, each chapter examines a different food source—forests; waters; vegetable, meat, and dairy farms; gardens; and communities. The authors explore our state's foodways, from their origins to how they have changed over the years, and then offer a selection of related recipes. The recipes are written for modern kitchens but use many traditional ingredients and techniques. Level of difficulty is clearly noted, as well as whether a recipe requires a heat source to prepare.
