Memory Systems - Bruce Jacob 2010-07-28
Is your memory hierarchy stopping your microprocessor from performing at the high level it should be? Memory Systems: Cache, DRAM, Disk shows you how to resolve this

problem. The book tells you everything you need to know about the logical design and operation, physical design and operation, performance characteristics and resulting design trade-offs, and the energy consumption of modern memory

hierarchies. You learn how to tackle the challenging optimization problems that result from the side-effects that can appear at any point in the entire hierarchy. As a result you will be able to design and emulate the entire memory hierarchy. Understand all levels of the system hierarchy -Xcache, DRAM, and disk. Evaluate the system-level effects of all design choices. Model performance and energy consumption for each component in the memory hierarchy.

Sliders - Hilary Evans 2010

How Do They Do That? A young man of Dublin walks past a row of streetlights at night--and they go out, one by one, as he passes. An engineer in Woodville, Washington, is stopped by police and his car searched to find out what he's doing to their streetlights. An Australian in the entertainment industry parks his car in a parking lot, and the light above him goes out--until the following evening when he parks in precisely the same space and the light comes on again. And that's not all. When a guest in a

restaurant in Athens, Greece, asks that the music be turned down, they refuse--whereupon she "kills" the restaurant's electricity and they eat the rest of their meal by candlelight. Other people affect traffic lights, computers, railway crossings... This is Street Light Interference (SLI). Once considered to be folklore--something that happened to a friend of a friend--today it is recognized as a scientific enigma with implications for our knowledge of the universe, including ourselves. In this, the first full-length book on SLI, we hear from some of the hundreds of SLIers who have reported their uncanny experiences, and consider the wider implications of this fascinating phenomenon.

Slider - Pete Hautman 2017

Competitive eating vies with family expectations in this funny, heartfelt novel by National Book Award winner Hautman.

Dead End - Cynthia Harrod-Eagles 2019-10-10

'An outstanding series' NEW YORK TIMES
BOOK REVIEW A Bill Slider Mystery A call-out

to a murder saves Detective Inspector Bill Slider from having to finish his canteen lunch, but it presents him with the problem of a dead conductor. In life Sir Stefan Radek was seriously famous and terminally unpleasant, but neither of these facts seems reason enough to gun him down. But as Slider delves into the megastar's private life he finds there's no shortage of suspects, as everyone seems tastelessly glad that Radek is dead. Lies, lovers past and present, and a hotbed of squabbles and financial shenanigans complicate the already tangled case. And with Slider's lost love, Joanna, a witness to the crime, his own life's jigsaw puzzle seems suddenly as complex as tracking down a most unlikely murderer... Praise for the Bill Slider series: 'Slider and his creator are real discoveries' Daily Mail 'Sharp, witty and well-plotted' Times 'Harrod-Eagles and her detective hero form a class act. The style is fast, funny and furious - the plotting crisply devious' Irish Times

Beginning JavaScript Charts - Fabio Nelli

2014-01-24

Beginning JavaScript Charts shows how to convert your data into eye-catching, innovative, animated, and highly interactive browser-based charts. This book is suitable for developers of all experience levels and needs: for those who love fast and effective solutions, you can use the jqPlot library to generate charts with amazing effects and animations using only a few lines of code; if you want more power and need to create data visualization beyond traditional charts, then D3 is the JavaScript library for you; finally, if you need a high-performance, professional solution for interactive charts, then the Highcharts library is also covered. If you are an experienced developer and want to take things further, then Beginning JavaScript Charts also shows you how to develop your own graphics library starting from scratch using jQuery. At the end of the book, you will have a good knowledge of all the elements needed to manage data from every possible source, from high-end scientific

instruments to Arduino boards, from PHP SQL databases queries to simple HTML tables, and from Matlab calculations to reports in Excel. You will be able to provide cutting-edge charts exploiting the growing power of modern browsers. Create all kinds of charts using the latest technologies available on browsers (HTML5, CSS3, jQuery, jqPlot, D3, Highcharts, and SVG) Full of step-by-step examples, Beginning JavaScript Charts introduces you gradually to all aspects of chart development, from the data source to the choice of which solution to apply. This book provides a number of tools that can be the starting point for any project requiring graphical representations of data, whether using commercial libraries or your own

Colors - Accord Publishing 2011-09-06
Accord's latest Silly Slider Book uses picture-changing sliders and plenty of critters to teach early learners about a rainbow of colors. Following Accord's previous Silly Slider Book

Numbers, Colors enables early readers to discover a rainbow of shades as little hands manipulate an interactive slider that moves up and down. Inside this sturdy board book, brightly colored animals transform as the sliders move, and each picture changes to reveal the name of a featured color. Red roosters, pink pigs, and orange tigers capture early readers' attention and make Colors a vibrantly fun and interactive way to learn.

The Slider Effect - Jonathan Melendez
2016-06-28

Way better than a cupcake, these omnivore and vegetarian slider recipes include limitless ingredient and flavor combinations just waiting to be squeezed between two buns. Sliders are the perfect bite that can be served as an appetizer, tapas, entrée, side, or midnight snack. The Slider Effect focuses on these amazing, handheld mini sandwiches featuring more than 75 recipes and 65 delicious photographs designed to turn you into a slider pro. The

opening chapter begins with slider pantry basics, followed by four main chapters that focus on meat, poultry, seafood, and vegetarian sliders. In the Meat chapter you'll find recipes for Grilled Steak and Potato Sliders as well as Mediterranean Lamb Sliders. The Poultry chapter will introduce you to Turkey-Bacon BLT Avocado Sliders and Chicken Curry Sliders. The Seafood chapter ranges from Fish and Chips Sliders to Shrimp Fajita Sliders. And in the Vegetarian chapter you'll find tiny buns filled with roasted beets, eggplant, polenta, and black beans. If you like making your own rolls, there are recipes ranging from biscuits to challah and from waffle to pretzel buns. And what slider would not be complete without a dab of Cilantro, Lime and Green Chile Aioli or Arugula Pumpkin Seed Pesto on top? There is no end to what you can make work in a slider!

Slider - Pete Hautman 2019-04-23

David can eat an entire sixteen-inch pepperoni pizza in four minutes and thirty-six seconds. He's

going to compete in the Super Pigorino Bowl, the world's greatest pizza-eating contest, and he has to win it, because he borrowed his mom's credit card

The Bill Slider Omnibus - Cynthia Harrod-Eagles 1998

ORCHESTRATED DEATH Middle-class, middle-aged and, according to his partner, menopausal, Detective Inspector Bill Slider is never going to make it to the Yard. Passed over for promotion again, the last thing he needs in his life, or on his patch, is an unidentifiable, naked female corpse. A priceless Stradivarius and a giant tin of olive oil are the only clues in an investigation that takes the steely-eyed, furry-headed detective all the way from the exotic backstreets of Shepherd's Bush to far-flung Birmingham. DEATH WATCH When a noted womaniser dies in mysterious circumstances in a sleazy motel and the whole of his murky past comes to light, DI Bill Slider begins to question more than whether the game is worth the candle. Right is right, and

indivisible. As soon as he's solved the motel mystery, and found out what the Neary boys and Gorgeous George are up to, Slider's going to have to start putting his own house in order ... NECROCHIP Detective Superintendent 'George' Dickson's replacement by DS 'Mad Ivan' Barrington - a new broom determined to sweep clean - is all par for the course for DI Bill Slider, as he faces the unhygienic fact of a dismembered corpse in a catering establishment. But there are still niggling questions to distract him: why didn't Barrington like Dickson? What is the mystery of the stake-out they once did together? And why is Slider's home life in almost perpetual stride?

Adobe Photoshop CC For Dummies - Peter Bauer
2017-12-01

The fast and easy way to grasp Photoshop CC essentials Photoshop is the gold standard when it comes to photo and image editing tools. But unless you've ever taken a class or gotten help from a Photoshop guru, you may find yourself a

bit confused on where to start and how to get things done. Photoshop CC For Dummies, 2nd Edition is the book for those of us who don't know a layer from a level and just want to learn how to make photos look better. This update to Photoshop CC For Dummies, the first since the product launched, packs an even more powerful punch to help you manage and enhance your images. In Photoshop CC For Dummies, 2nd Edition you'll find clear explanations of the menus, panels, tools, options, and shortcuts you'll use the most. Plus, you'll discover invaluable tips for fixing common photo flaws, improving color quality, adjusting brightness, removing unwanted background elements, and more. Whether you want to improve how your family photos look or need to add a new skillset to your resume, this friendly guide gives you all the steps to navigating the software and getting top-notch results. Get a handle on the most common tools Improve focus and color in photos Add text and illustrations to create stunning

graphics Find insider tips and tricks the pros use

*Investigation of Slider Dynamics and Tribology
of the Head-disk Interface* - Saurabh K. Deoras
2004

Red-Eared Sliders - Katrina Smith 2011

The most common turtle found in home
aquariums, red-eared sliders are great pets for
both novice and experienced turtle keepers.
Written by a turtle rescuer and rehabilitator,
Red-Eared Sliders is an all-inclusive guide to
caring for this popular turtle species.

Slider - Patrick Robinson 2009-10-13

Each summer, on the fields of glorious Cape
Marlin, off the New England coast, the nation's
best college players gather to play the most
important baseball of their lives. Jack Faber is a
young hotshot pitcher with an unhittable slider

and a rocket for a fastball. He plays for the
fabled Seapuit Seawolves and dreams of making
the Big Show. But a new coach, the scowling
Bruno Riazzi, a former pro catcher, resents the
kid's celebrity status and decides to knock him
down a peg or two. And he stops at nothing to
make it happen. Humiliated, Jack loses his
lifelong art, and with it his passion for the game,
as well as, mysteriously, his ability to throw. A
devastated Jack Faber is released from the St.
Charles College roster. But the Seawolves
coaches won't give up on him. They bring Jack
back to Cape Marlin, determined to help him
rediscover his lost talent. He finds himself again
under the summer sun, coaches and old friends
standing by him. But in the end it will be up to
Jack. Based on a true story, Slider celebrates the
national pastime, a game that can break grown
men's hearts -- as well as make them whole
again.

Slider - Pete Hautman 2019-03-12

Competitive eating vies with family expectations

in a funny, heartfelt novel for middle-grade readers by National Book Award winner Pete Hautman. David can eat an entire sixteen-inch pepperoni pizza in four minutes and thirty-six seconds. Not bad. But he knows he can do better. In fact, he'll have to do better: he's going to compete in the Super Pigorino Bowl, the world's greatest pizza-eating contest, and he has to win it, because he borrowed his mom's credit card and accidentally spent \$2,000 on it. So he really needs that prize money. Like, yesterday. As if training to be a competitive eater weren't enough, he's also got to keep an eye on his little brother, Mal (who, if the family believed in labels, would be labeled autistic, but they don't, so they just label him Mal). And don't even get started on the new weirdness going on between his two best friends, Cyn and HeyMan. Master talent Pete Hautman has cooked up a rich narrative shot through with equal parts humor and tenderness, and the result is a middle-grade novel too delicious to put down.

Dying Fall - Cynthia Harrod-Eagles 2022-01-01
Power, money, murder . . . Investigating a seemingly accidental death leads DCI Bill Slider and his team down a dark path in this gripping British police procedural. The woman lies dead at the foot of the stairs. It's obvious what happened: she tripped and fell. But PC D'Arblay, called to the dilapidated West London villa by an anonymous tip-off, can't shake the feeling that's exactly what someone wants him to think. It was the deep head wound that killed her - but her dying fall left no blood trail, so what was it she hit her head on? DCI Slider, of the Shepherd's Bush murder squad, is soon convinced D'Arblay's right. But with no motive, no murder weapon and no idea even who the victim is, Slider faces steep odds to get a result . . . while each painstaking step towards the truth brings him closer to a ruthless, evil killer. The Bill Slider series is in "a league of its own" (Publishers Weekly Starred Review). If you haven't met Slider and his team yet, why not

start now?

BOYSCOUT - Avery Abbott 2019-10-31

Alone and scared after her mother's death, Harley "Shaw" Hayes heads to Mission Beach to find the man she'd been hidden from her whole life, her father. Smokey Stone, president of The Rebels biker club, doesn't even know she exists. Desperate for both money and independence, down on her luck, Shaw takes a job stripping in her father's club while keeping her identity a secret. She never expects to fall for a biker. Johnny "Boyscout" Kane may be a tattooed badass, but that doesn't mean he can't pull off a boy-next-door look. He'd once been lost, but The Rebels, and Smokey, had given him a home and a purpose. Befriending Shaw, the lost and broken newcomer, shifts the gears in his rusty heart. First he needs to get her off the stripper pole, and then in his bed. He's treading a fine line between his club and his desire to have her. Then Scout's hopes—and Shaw's life—are endangered when an obsessive millionaire

makes Shaw an irresistible offer. Is Scout willing to risk losing her, to save her? She belongs in his bed, not some stranger's. Shaw needs money, not a biker acting like her knight in shining armor. But when Scout discovers Shaw's identity, is his loyalty to the club, or to the woman whose secret can ruin them both?

Blood Lines - Cynthia Harrod-Eagles 2011-09-01
'An outstanding series' NEW YORK TIMES
BOOK REVIEW A Bill Slider Mystery With his on-off lover Joanna away with work, Detective Inspector Bill Slider almost welcomes a call-out to the BBC TV Centre at White City. Roger Greatrex, celebrated music critic and opera aficionado, appears to have topped himself - only minutes before he was due to appear live on a quiz show. But there are signs that the body has been interfered with, and Slider suspects murder. One fellow panellist is known to have quarrelled violently with Greatrex. two members of the production team have motives, and nobody in the building has a proper alibi. Slider

is under pressure to make an arrest, and all his instincts are at odds with the evidence. But a dangerous killer is on the loose, and could kill again... Praise for the Bill Slider series: 'Slider and his creator are real discoveries' Daily Mail 'Sharp, witty and well-plotted' Times 'Harrod-Eagles and her detective hero form a class act. The style is fast, funny and furious - the plotting crisply devious' Irish Times

Red-Eared Slider Turtle - Harry Josh
2019-10-14

Have you always wanted a Red-eared Slider Turtle for a pet, but didn't have enough information on where to buy one or how to raise it? If yes, then this book has been especially written for you! The Red-eared Slider Turtle may be tricky to domesticate and care for, but given the right kind of environment, attention and love, can make for an interesting long-term companions. While small in size and largely aquatic by nature, as exotic pets, Red-eared Slider Turtles require specific housing, diet,

basking and healthcare conditions for their optimal development.

Slider - Stacy Borel 2015-09-29

Dr. Turner Brooks may be the professional brother, but he's also the adrenaline junkie. When he meets Annabelle, a girl scared to death of veering from the path she's paved for herself, all he wants to do is push her out of that comfort zone. Annabelle has already lost too much. She wants to stay focused on her new nursing job and away from unnecessary risks. Turner Brooks is exactly that - an unnecessary risk. She's heard the rumors about him flying around the hospital, describing him as a "womanizer" or "sex god." Yeah, she doesn't need that. Still, Turner tries to teach her that life is full of risks worth taking. As they grow closer and she begins to let go, the unexpected happens. Will they be able to recover from that surprising fastball or could this be the final strike out?

LEARNING PyQt5 - Vivian Siahaan 2019-09-06
In this book, you will learn PyQt5 with

accompanied by a step-by-step tutorial to develop mysql-base applications. In the first chapter, you will learn to use several widgets in PyQt5: Display a welcome message; Use the Radio Button widget; Grouping radio buttons; Displays options in the form of a check box; and Display two groups of check boxes. In chapter two, you will learn to use the following topics: Using Signal / Slot Editor; Copy and place text from one Line Edit widget to another; Convert data types and make a simple calculator; Use the Spin Box widget; Use scrollbars and sliders; Using the Widget List; Select a number of list items from one Widget List and display them on another Widget List widget; Add items to the Widget List; Perform operations on the Widget List; Use the Combo Box widget; Displays data selected by the user from the Calendar Widget; Creating a hotel reservation application; and Display tabular data using Table Widgets. In the next three chapters, you will learn Basic MySQL statements including how to implement querying

data, sorting data, filtering data, joining tables, grouping data, subquerying data, dan setting operators. Aside from learning basic SQL statements, you will also learn step by step how to develop stored procedures in MySQL. First, we introduce you to the stored procedure concept and discuss when you should use it. Then, we show you how to use the basic elements of the procedure code such as create procedure statement, if-else, case, loop, stored procedure's parameters. In the sixth chapter, you will study: Creating the initial three table in the School database project: Teacher table, Class table, and Subject table; Creating database configuration files; Creating a Python GUI for viewing and navigating the contents of each table. Creating a Python GUI for inserting and editing tables; and Creating a Python GUI to merge and query the three tables. In last chapter, you will learn: Creating the main form to connect all forms; Creating a project that will add three more tables to the school database:

the Student table, the Parent table, and the Tuition table; Creating a Python GUI to view and navigate the contents of each table; Creating a Python GUI for editing, inserting, and deleting records in each table; Create a Python GUI to merge and query the three tables and all six tables. Finally, this book is hopefully useful for you.

Using Visual C++ 6 - Kate Gregory 1998
Special Edition Using Visual C++ 6 focuses on making you productive with Visual C++ as quickly as possible. Because of its straightforward approach, this book is able to progress into more advanced topics such as database capabilities, creating ActiveX controls and documents, and enterprise features. Coverage includes all the new features of version 6 as well as expanding on a few topics such as Active Server Pages, VC++, and ActiveX Data Object (ADO & OLE DB).

Hello Slider - Bob Feller 2007-03
Slider, the mascot for the Cleveland Indians

baseball team, takes in the sights and sounds of the ballpark as he watches the team play.
Society of Engineers, London - Society of Engineers (London, England) 1920

Red Eared Slider Turtle - Dr William Carter
2020-05-29

The most common turtle found in home aquariums, red-eared sliders are great pets for both novice and experienced turtle keepers. Originally a native of warm climates, these semi-aquatic turtles love to bask in the sun when they aren't foraging for food. In this book you will find all the information you need to know about red-eared slider turtle which include: housing, natural habitat, physical qualities and more.

Killing Time - Cynthia Harrod-Eagles
2011-09-01

'An outstanding series' NEW YORK TIMES
BOOK REVIEW A Bill Slider Mystery Detective
Inspector Bill Slider is back at work with a thumping headache, courtesy of the last villain

he apprehended. But he is minus Atherton, a friend and colleague, who's still recovering from his injuries. Slider was hoping for a quiet week, but a murder at a night club plunges him into the underworld of entertainment to question table-dancers, prostitutes, pimps and cabinet ministers. And when it appears that this murder could be linked to another unsolved case, Slider is left with more questions than ever. What with Atherton's slow recovery and his replacement's unhealthy interest in Slider, the DI has enough to fuel his headache for the foreseeable future. But the old grey matter won't be denied; doggedly and with a whimper, Slider starts to unravel the truth... Praise for the Bill Slider series: 'Slider and his creator are real discoveries' Daily Mail 'Sharp, witty and well-plotted' Times 'Harrod-Eagles and her detective hero form a class act. The style is fast, funny and furious - the plotting crisply devious' Irish Times *Yellow Bellied Sliders* - Muller Benson 2020-12-15

The yellow-bellied slider is an appealing species, specifically as a juvenile, and is easily maintained in captivity. It is less famous in captivity than its cousin, the red-eared slider. Yellow-bellied sliders do well in shallow water aquaria. They require or approximately 80 degrees Fahrenheit will be a necessity. Plastic grating or egg crate fabric provides a terrific basking platform, as the plastic will now not be abrasive to the turtle's plastron, and the grating will permit the plastron to dry, reducing the chances of shell fungus and rot. Yellow-bellied sliders are omnivorous, however, juveniles have a tendency to be greater carnivorous than adults.

Access Database for Pragmatic Programmers: A Step by Step Guide to Create Database-Driven Application Using Python - Vivian Siahaan 2019-10-11

This book covers microsoft acces-based GUI programming using pyqt. Intentionally designed for various levels of interest and ability of

learners, this book is suitable for students, engineers, and even researchers in a variety of disciplines. No advanced programming experience is needed, and only a few school-level programming skill are needed. In the first chapter, you will learn to use several widgets in PyQt5: Display a welcome message; Use the Radio Button widget; Grouping radio buttons; Displays options in the form of a check box; and Display two groups of check boxes. In chapter two, you will learn to use the following topics: Using Signal / Slot Editor; Copy and place text from one Line Edit widget to another; Convert data types and make a simple calculator; Use the Spin Box widget; Use scrollbars and sliders; Using the Widget List; Select a number of list items from one Widget List and display them on another Widget List widget; Add items to the Widget List; Perform operations on the Widget List; Use the Combo Box widget; Displays data selected by the user from the Calendar Widget; Creating a hotel reservation application; and

Display tabular data using Table Widgets. In third chapter, you will learn: How to create the initial three tables project in the School database: Teacher, Class, and Subject tables; How to create database configuration files; How to create a Python GUI for inserting and editing tables; How to create a Python GUI to join and query the three tables. In fourth chapter, you will learn how to: Create a main form to connect all forms; Create a project will add three more tables to the school database: Student, Parent, and Tuition tables; Create a Python GUI for inserting and editing tables; Create a Python GUI to join and query over the three tables. In the last chapter, you will join the six classes, Teacher, TClass, Subject, Student, Parent, and Tuition and make queries over those tables. Blood Sinister - Cynthia Harrod-Eagles

2010-04-01

In her most gripping mystery yet, Cynthia Harrod-Eagles returns readers to the streets of London and the ever-struggling Detective Inspector Bill Slider. When the body of Phoebe Agnew, radical left-wing journalist, champion of the underdog, and prominent critic of the police

force, is discovered, Inspector Slider must put aside any personal feelings for the victim and find her killer. One of the first clues Slider finds is that on the day of her death the horribly undomesticated Agnew cooked an elaborate meal for someone. Was it her old friend and reputed lover, Josh Prentiss? Slider tries to pursue that angle, but since Prentiss is a Government advisor, the pressure is on Slider to look elsewhere. There are plenty of anomalies for him to chase: unidentified fingerprints, the object used to strangle Agnew is missing, alibis offered where none are required, the downstairs tenant lying about his whereabouts, and papers missing from Agnew's file. As Slider struggles to untangle the web of lies and hidden relationships, his task is made harder by the strange behavior of his friend and colleague, Atherton, who seems to be on the verge of a breakdown. Tightly plotted and full of fascinating characters, Slider searches to find the key to Agnew's chillingly lonely life, but will

he find it in time to prevent further tragedy?

The SideWays Sliders - Mike Myers 2014-11-28

The Sideways Sliders is an action packed story that introduces the young reader to the "skid style" racing scene, known as drifting. Sid, Slyder and Slomo make up the drifting group known as the Sideways Sliders. In the story The Sideways Sliders, this group of three friends find out the hard way why it is so important to stay safe while having fun drifting. A night full of fun takes an unexpected turn that leads to surprising consequences the following morning. Drifting can be a safe and controlled sport if the correct precautions are in place.

Death Watch - Cynthia Harrod-Eagles
2011-09-01

'An outstanding series' NEW YORK TIMES
BOOK REVIEW A Bill Slider Mystery The lot of the working copper is getting harder: new regulations, regular rousting by the top brass, a budget tighter than a Victoria corset and a DC who thinks he's in a John Le Carré novel makes

it a trying time for Detective inspector Bill Slider. Then when a noted womanizer dies in mysterious fire in a sleazy motel and the whole of his murky past comes to light, Slider begins to question whether this was suicide... or murder. And that's not the only thing Slider is questioning. As soon as he's solved the motel mystery, Bill is going to have to put his own house in order... Red-eared Slider Turtle. Red-eared Slider Turtle Owners Manual. Red-eared Slider Turtle Pros and Cons, Care, Housing, Diet and Health. - David Donalton 2016-01-04
Have you always wanted a Red-eared Slider Turtle for a pet, but didn't have enough

information on where to buy one or how to raise it? If yes, then this book has been especially written for you! The Red-eared Slider Turtle may be tricky to domesticate and care for, but given the right kind of environment, attention and love, can make for an interesting long-term companions. While small in size and largely aquatic by nature, as exotic pets, Red-eared Slider Turtles require specific housing, diet, basking and healthcare conditions for their optimal development. Through this pet care guide, you will gain access to a plethora of information, tips and advice on the ideal habitat, housing conditions, nutritional requirements and healthcare that pet Red-eared Slider Turtles should be provided with. You will also discover other useful information on the broader implications of owning pet Red-eared Slider Turtles, from social and legal considerations to understanding their mating patterns and interactions, both with other animals, as well as humans. If you have any questions or doubts on

how to properly care for your Red-eared Slider Turtle, then this book will surely become your handy advisor. Find out what makes Red-eared Slider Turtles unique and sets them apart from other domestic animals, while learning how to form a lifelong bond with your exotic pet. This book covers all the relevant aspects of acquiring and caring for a pet Red-eared Slider Turtle, discussing such topics as: - Different varieties - Food - Basking - Housing - Healthcare - Seasonal care - Caring for Red-eared Slider Turtle hatchlings - Breeding Red-eared Slider Turtles - Price and methods of acquiring Red-eared Slider Turtles - Characteristic behaviour patterns - Common illnesses and corresponding actions, remedies and precautions - Electronic tagging for Red-eared Slider Turtles - Providing Insurance for Red-eared Slider Turtles - Healthcare, diet and shopping checklists ...and much more!
The Slider Effect - Jonathan Melendez
2016-06-28

A collection of seventy-five slider recipes packing flavor into little bites for omnivores and vegetarians, plus recipes for buns and condiments. Sliders are an art form, a modern-tapas-of-sorts. A remarkable slider is one that allows you to evenly taste all the delicious ingredients within it. You can't eat just one! Way better than a cupcake, sliders are delicious and fun—and you can't eat just one of these savory, handheld treats. Indulge in the awesome world of sliders and mini sandwiches through more than seventy-five omnivorous and vegetarian recipes—that are more than just your usual mini burger—complete with homemade breads, buns, and sauces. Way better than a cupcake, these omnivore and vegetarian slider recipes include limitless ingredient and flavor combinations just waiting to be squeezed between two buns. Sliders are the perfect bite that can be served as an appetizer, tapas, entrée, side, or midnight snack. The Slider Effect focuses on these amazing, handheld mini sandwiches featuring

more than seventy-five recipes and sixty-five delicious photographs designed to turn you into a slider pro. The opening chapter begins with slider pantry basics, followed by four main chapters that focus on meat, poultry, seafood, and vegetarian sliders. In the Meat chapter you'll find recipes for Grilled Steak and Potato Sliders as well as Mediterranean Lamb Sliders. The Poultry chapter will introduce you to Turkey-Bacon BLT Avocado Sliders and Chicken Curry Sliders. The Seafood chapter ranges from Fish and Chips Sliders to Shrimp Fajita Sliders. And in the Vegetarian chapter you'll find tiny buns filled with roasted beets, eggplant, polenta, and black beans. If you like making your own rolls, there are recipes ranging from biscuits to challah and from waffle to pretzel buns. And what slider would not be complete without a dab of Cilantro, Lime and Green Chile Aioli or Arugula Pumpkin Seed Pesto on top? There is no end to what you can make work in a slider! Praise for The Slider Effect “Miniatures are

undeniably cute, especially when they're mini Western Bacon Cheeseburgers. As far as buns go, Chef Jonathan Melendez goes the extra mile and stuffs this book with recipes for waffle buns, black pepper buttermilk biscuits, braided challah buns and more." —Tiffany Do, Food Republic
"Hostesses and snack enthusiasts will swoon for this recipe-packed cookbook dedicated to one of life's smallest joys." —Ashley Macey, Brit + Co
The Second Bill Slider Omnibus - Cynthia Harrod-Eagles 2005

In this omnibus edition, Detective Inspector Bill Slider has three murders to investigate: the deaths of a conductor, a critic and an erotic dancer.

iPhone Open Application Development - Jonathan Zdziarski 2008-03-10

Certain technologies bring out everyone's hidden geek, and iPhone did the moment it was released. Even though Apple created iPhone as a closed device, tens of thousands of developers bought them with the express purpose of designing and running third-party software. In this clear and concise book, veteran hacker Jonathan Zdziarski -- one of the original hackers of the iPhone -- explains the iPhone's native environment and how you can build software for this device using its Objective-C, C, and C++ development frameworks. *iPhone Open Application Development* walks you through the iPhone's native development environment, offers an overview of the Objective-C language you'll use with it, and supplies background for the iPhone operating system. You also get detailed recipes and working examples for everyone's favorite iPhone features -- graphics and audio programming, interfaces for adding multitouch functionality to games, the use of hardware sensors, and the device's vast user interface kit.

This book explains: How to access the iPhone's underlying operating system The makeup of an iPhone application How to get the open source tool chain running on your desktop The iPhone's core user interface framework, which is heavily tied to major application-level functions Using the many touted iPhone features such as multitouch, hardware sensors, and gestures Intercepting and handling event notifications for many iPhone-related events Raw video surfaces and 3D transformations that take you deeper into advanced graphics on the iPhone How to record and play simple sounds and intercept sound events Advanced digital audio output using Apple's new Audio Toolbox framework Advanced user interface components such as

section lists, keyboards, and image manipulation The Appendix includes a compendium of miscellaneous code examples for cool application features, such as using the camera and creating a CoverFlow®-like album browser. This book is a true hacker's book, designed for the millions of users who have run third party applications on their iPhone, but its concepts and code examples have shown to be remarkably similar to Apple's official SDK, making this book a valuable resource for both camps. Any programmer can use this book to write applications with the same spectacular effects that made the device an immediate hit, and impress users just as much as the official iPhone software does. That programmer can easily be you.
