Amber Share

Subpar Parks Amber Share, 2021-07-13 **A New York Times Bestseller!** Based on the wildly popular Instagram account, *Subpar Parks* features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. *Subpar Parks*, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply Too cold for me! Another saw the mind-boggling vistas of Bryce Canyon as Too spiky! Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

Wicked Winnie Holzman, 2010-10 Each title in The Applause Libretto Library Series presents a Broadway musical with fresh packaging in a 6 x 9 trade paperback format. Each Complete Book and Lyrics is approved by the writers and attractively designed with color photo inserts from the Broadway production. All titles include introduction and foreword by renowned Broadway musical experts. Long before Dorothy dropped in, two other girls meet in the Land of Oz. One, born with emerald green skin, is smart, fiery, and misunderstood. The other is beautiful, ambitious, and very popular. The story of how these two unlikely friends end up as the Wicked Witch of the West and Glinda the Good Witch makes for the most spellbinding new musical in years.

Grace, Not Perfection Bible Study Guide Emily Ley, 2018-03-20 Learn to let go of your daily toil towards perfection and fall into the lasting freedom of God's grace. As a wife, new mother, business owner, and designer, Emily Ley reached a point when she suddenly realized she couldn't do it all. She needed to simplify her life, organize her days, and prioritize her priorities. She realized that she had been holding herself to a standard of perfection, when what God was really calling her to

do was accept the welcoming embrace of his grace. In this four-session video-based study (DVD/video streaming sold separately), Emily—author of *A Simplified Life*—describes the journey that led to her pursuing a life that allowed her to breathe, laugh, and grow. Along the way, she'll take you and your group through strategies to simplify your lives. Because God so abundantly pours out grace on us, we can surely extend grace to ourselves! This message is for anyone who has been trying to do it all...only to feel like you're burning out. Learn to find joy, acceptance, and clarity in the midst of life's beautiful messes. Sessions include: Let Go of the Perfect Life Surrender Control Build True Community Live in God's Grace Designed for use with the Grace, Not Perfection Video Study (sold separately).

When Less Becomes More Emily Ley, 2019-11-12 Women today are more fatigued, burned out, and overwhelmed than ever. You may feel like your life is frantic--that you're running on empty. In *When Less Becomes More*, you'll learn how to live a life of more in a world that often overwhelms to the point of burnout. Smartphones constantly ping and alert and demand your attention. And social media can eat up hours of your days with mindless scrolling and tapping while leaving you feeling empty and lonely. Add to that family commitments, work that is accessible around the clock, and overscheduling, and you have a life that can feel out of control. In *When Less Becomes More*, Emily Ley, author of the bestselling *Grace, Not Perfection* and *Growing Boldly*, takes you on a journey out of that empty place and shows you how to fill your wells with the nourishment that only true connection can provide. She also presents some radical concepts that push against the tethers of modern life, with the promise that more of the good stuff comes when we say yes to less of what keeps us empty: Less Noise, More Calm Less Fake, More Real Less Rush, More Rhythm Less Liking, More Loving Less Distraction, More Connection Less Chasing, More Cherishing Less Stuff, More Treasures Getting to more might require some outside-the-box changes, some unraveling of the patterns you have adopted, and some reworking of the day to day. Build a life based on your core values instead of slipping into a life dictated by society or what's normal. Because you weren't made for normal. You were made for more--for a life of fullness, dreaming, and lasting joy.

Songs for the Suffering Julia Allspaw, 2020-11-25

The Addiction Inoculation Jessica Lahey, 2021-04-06 “The Addiction Inoculation is a vital look into best practices parenting. Writing as a teacher, a mother, and, as it happens, a recovering alcoholic, Lahey's stance is so compassionate, her advice so smart, any and all parents will benefit from her hard-won wisdom.” —Peggy Orenstein, author of *Girls & Sex* and *Boys & Sex* In this supportive, life-saving resource, the New York Times bestselling author of *The Gift of Failure* helps parents and educators understand the roots of substance abuse and identify who is most at risk for addiction, and offers practical steps for prevention. Jessica Lahey was born into a family with a long history of alcoholism and drug abuse. Despite her desire to thwart her genetic legacy, she became an alcoholic and didn't find her way out until her early forties. Jessica has worked as a teacher in substance abuse programs for teens, and was determined to inoculate her two adolescent sons against their most dangerous inheritance. All children, regardless of their genetics, are at some risk for substance abuse. According to the National Center on Addiction and Substance Abuse, teen drug addiction is the nation's largest preventable and costly health problem. Despite the existence of proven preventive strategies, nine out of ten adults with substance use disorder report they began drinking and taking drugs before age eighteen. *The Addiction Inoculation* is a comprehensive resource parents and educators can use to prevent substance abuse in children. Based on research in child welfare, psychology, substance abuse, and developmental neuroscience, this essential guide provides evidence-based strategies and practical tools adults need to understand, support, and educate resilient, addiction-resistant children. The guidelines are age-appropriate and actionable—from navigating a child's risk for addiction, to interpreting signs of early abuse, to advice for broaching difficult conversations with children. *The Addiction Inoculation* is an empathetic, accessible resource for anyone who plays a vital role in children's lives—parents, teachers, coaches, or pediatricians—to help them raise kids who will grow up healthy, happy, and addiction-free.

Being Active Citizens Susan Watson, 2003 Explains the role of young people as citizens and how they can make a difference in the global system.

Still Life with Rhetoric Laurie Gries, 2015-04-01 Winner of the 2016 CCCC Advancement of Knowledge Award and the 2016 CCCC Research Impact Award In *Still Life with Rhetoric*, Laurie Gries forges connections among new materialism,

actor network theory, and rhetoric to explore how images become rhetorically active in a digitally networked, global environment. Rather than study how an already-materialized “visual text” functions within a specific context, Gries investigates how images often circulate and transform across media, genre, and location at viral rates. A four-part case study of Shepard Fairey’s now iconic Obama Hope image elucidates how images reassemble collective life as they actualize in different versions, enter into various relations, and spark a firework of activity across the globe. While intent on tracking the rhetorical life of a single, multiple image, *Still Life with Rhetoric* is most concerned with studying rhetoric in motion. To account for an image’s widespread circulation and emergent activities, Gries introduces iconographic tracking—a digital research method for tracing an image’s divergent rhetorical becomings. Yet Gries also articulates a dynamic set of theoretical principles for studying rhetoric as a distributed, generative, and unforeseeable event that is applicable beyond the study of visual rhetoric. With an eye toward futurity—the strands of time beyond a thing’s initial moment of production and delivery—*Still Life with Rhetoric* intends to be taken up by those interested in visual rhetoric, research methods, and theory.

A Standard of Grace Emily Ley, 2019-03-26 Are you standing in the middle of opportunity and being overwhelmed of crazy when you really need calm? Not sure where to start to simplify and bring grace and peace to your home? *A Standard of Grace* is a gorgeous four-color, joy-inspiring guided journal designed to help you nurture your dreams, discover your hopes, and pay attention to those things you hold dearest to your heart. With quotes, journaling prompts, and Scripture, bestselling author of *Grace, Not Perfection* and *A Simplified Life* Emily Ley, encourages you to reach for the life of you want—all while holding to a standard of grace. Both gorgeous and useful, *A Standard of Grace* will make a lovely gift and keepsake as well as be a powerful tool for both embracing where you are while reaching for your goals and dreams. Through practical, easy-to-follow prompts for journaling and reflection, Scriptures, and inspiring imagery, you’ll find an accessible, inspirational journal that to enjoy personally and to share with friends.

The Flat Earth as Key to Decrypt the Book of Enoch Zen Garcia, 2015-09-26 Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as the motion of the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch’s description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

KNITS ABOUT WINTER. EMILY. FODEN,2019

Mythical Ireland Anthony Murphy,2021-11-07 Mythical Ireland embodies the search for a soul among Ireland's ancient ruins, and is an attempt to retrieve something of deeper import from 5,000-year-old megalithic monuments and their associated myths. The book represents a fascinating and engaging journey through time, landscape and the human spirit. Dealing with archaeology, interpretive mythography, cosmology and cosmogony, the book attempts to grapple with a core meaning, something beyond the functional interpretations of academia. In this revised and expanded edition, Anthony Murphy delves further into the many enthralling aspects of this journey. Just how much knowledge did locals have of the secrets of Newgrange before it was excavated? Who is the Cailleach, the ancient hag goddess whose image is ubiquitous in the ancient landscape? What happened to make Ireland's Stonehenge disappear from the landscape? Who were the first kings of Tara? What were the indigenous Irish myths about the Milky Way? Did someone try to steal the Tara Brooch? Why are there myths in Ireland about flooded towns and cities? Lavishly illustrated with exquisite photographs of the Irish landscape and ancient monuments, Mythical Ireland represents a personal and yet universal journey, a quest to reimagine the shrines as empowering and transformative sacred places. Murphy invokes the druids and poets of the Boyne and thus the *sídh*e of the ancient texts are reawakened for a modern and turbulent world.
